INTERNATIONAL COOPERATION PROTOCOL BETWEEN THE FACULTY OF EDUCATION, TRAKYA UNIVERSITY AND THE FACULTY OF EDUCATION, UNIVERSITY "UKSHIN HOTI" PRIZREN

Intro:

This protocol has been prepared with the aim of enhancing education, research, and international collaborations between the Faculty of Education at Trakya University And The Faculty of Education, University "Ukshin Hoti" Prizren. The successes of international academic cooperation agreements are achieved through supporting and promoting interdisciplinary and multidisciplinary approaches to facilitate the dissemination and advancement of knowledge and ideas, as well as shaping joint projects for socio-cultural and economic development.

Article 1: Objectives

The objectives of this protocol are as follows:

- Organizing and conducting collaborative research, courses, and symposiums,
- Facilitating the exchange and interaction of scientists and researchers,
- Supporting student exchange,
- Facilitating the exchange of knowledge, books, publications, and materials in relevant fields,
- Developing joint projects in various fields,
- Conducting solution-oriented research on societal issues and providing policy recommendations.

Article 2: Implementation and Financing

The activities to be carried out under this protocol are contingent upon the parties' ability to provide sufficient funding to support these activities. The parties may collaborate and share expenses for financing these activities. Additionally, they may seek support from international funds and other sources.

Article 3: Revision and Cancellation

This protocol may be revised, renewed, and/or canceled with the mutual written consent of the parties.

Article 4: Handling of Results

All results obtained under this protocol will be handled as follows:

- A. Efforts will be made to disseminate findings from joint research projects to wider audiences through collaborative publications. Additionally, efforts will be made to organize joint courses and symposiums, enhance academic activities, and facilitate knowledge sharing.
- B. Efforts will be made to highlight the outcomes of joint research that benefit society. In this regard, solution-oriented research on social issues will be conducted, and recommendations will be made to policymakers.
- C. Patents resulting from collaboration will be treated in accordance with the parties' shared understanding of intellectual property. Steps will be taken to protect and commercialize patents, and the patents thus obtained will remain the property of the originating faculty.
- D. Achievements resulting from student exchange programs and joint educational projects are valued to demonstrate the effects of collaboration between the parties. Student successes and experiences will be shared with relevant parties and utilized in the development of future collaboration projects.
- E. Steps will be taken to ensure the sustainability of obtained results and long-term collaboration. Regular evaluation meetings will be held to strengthen relationships between the parties and assess future collaboration opportunities.
